TERM FOUR: Professional Website

WEIGHT: 25 % of year mark

DUE DATE: 27 NOVEMBER 2020

BRIEF SPECIFICATIONS: Professional Website

Develop mock-ups for and a four-page website.

PROJECT SPECIFICATIONS: This is an individual assignment

You will need to show the **development of your conceptualisation** – inspiration images and sketches – wireframe mock-ups and research.

Using the planning documents created in the previous project, students must now **code a prototype website**, using Notepad ++ (or similar software), according to their designs and specifications.

The prototype website must align with the **corporate identity created** in the previous assignment. Students must rely on the knowledge gained from the **Web Style Guide** to make sure that their website aligns with the **principles of usability** and that the **information architecture** is relevant to the content as well as the user.

Create a **web design and development strategy and plan**.

This strategy plan must detail the **goals of the website**, **personas for the primary and secondary audiences**, **competitor analysis** and **objective strategies** on how to proceed with the creation of the website.

Students will also need to create **wireframes (with measurements)**.

The following pages **MUST** be present in the navigation: **'About'**, **'Contact'**, **'Gallery'**, **'Services'**.

The 'Gallery' page must have a gallery placeholder to host **all the products** created during your first year to show off your skills as a multimedia professional.

DO NOTE that your personal website should be about showcasing and highlighting your skills as a multimedia professional and should not revolve around your personal likes and hobbies.

This website will be your digital curriculum vitae and portfolio.

Name your file accordingly:

ClassGroup_20201127_ProfWebsite_YourName_YourStudentNumber.

All files **MUST** be **uploaded** via Blackboard and documentation must be printed out and handed in.

PROGRESS EVALUATION: Students are required to make appointments to speak to their respective lecturers throughout the project.

PLEASE READ THROUGH THE BRIEF PROPERLY: ASK QUESTIONS IF YOU ARE NOT SURE OR DO NOT UNDERSTAND. CHECK WORK BEFORE HANDING ANYTHING IN: ANY MISSING AND NON-FUNCTIONAL WORK WILL RESULT IN A DEDUCTION OF MARKS.

Requirements for TERM 04 INDIVIDUAL ASSESSMENT THE WEBSITE:

- ☐ The max width of the **website** must be **990px**.
- ☐ The navigation **MUST have** the following links:
 - ☐ 'About';
 - ☐ 'Contact';
 - ☐ 'Gallery';
 - ☐ 'Services'.
- ☐ The **website** must be created using **HTML5 and CSS**. You **MUST** hard code your website.
- ☐ The **final product** needs to showcase:
 - ☐ The **logo**;
 - ☐ well-written **content** (no place-holder text);
 - ☐ a **media gallery** for content created;
 - ☐ and a **contact form** on your contact page.

FINAL FILE HAND-IN:

A zipped folder with the following naming convention and files:

- ☐ **Save all your files in a zipped folder (.ZIP) and name it accordingly:**
ClassGroup_20201127_ProfWebsite_YourName_YourStudentNumber.
- ☐ Documentation (digital).
- ☐ Cover page with student's details.
