WEEK	FROM 01/08/2022 TO 05/08/2022
TUES	
WED	
THUR	Had a briefing session with Mrs Prima Inderlal, from 10:00a.m. to 11:00a.m. Where we discussed the graduate recruitment portal project plan and informed us that we will be meeting the projects client every Friday.
FRI	We met the client for the graduate recruitment portal, Mrs Bronwyn Abrahams, she explained how the recruitment process works and how she currently goes about completing the process. She then explained who is involved and certain details she captures during the process for administrative purposes and being ready for any companies that is looking to employ recent graduates. We were informed that we have to provide our primary contact details and that we'll have to provide a dataflow diagram next week Friday.

COMMUNICATION SKILLS			X			COMMUNICATION SKILLS	Communication was largely done in the graduate recruitment WhatsApp group, where we raised questions about topics that raised unsurety amongst the group members.
PROBLEM SOLVING SKILLS				X		PROBLEM SOLVING SKILLS	Having to research data flow diagrams that was focused on a recruitment portal was something new, because now the system make sense before we even started developing it
DECISION MAKING SKILLS				X		DECISION MAKING SKILLS	Decisions made during the current part of the project was answered mostly in last weeks meeting, this reduced our involvement in decisions for the week and enquiries was raised in the group to get input and help make better decisions.
TEAMWORK SKILLS			X			TEAMWORK SKILLS	Not much teamwork has been involved yet for the project besides us raising questions in the WhatsApp group to help with clarifying unsurety.
TECHNICAL SKILLS			X			TECHNICAL SKILLS	We had to create a data flow diagram for the project, I created mine using StarUML which has the functionality to do so. I then applied what I learned when I was researching the system online.

WEEK	FROM	TO			
		15 August 2022			19 August 2022
TUES	On this day we had a google meet meeting, where a discussion about the data flow diagram we had to design took place. I was unable to attend because our project 3 group was meeting at the time, but I continued working on my data flow diagram.				
WED	No work was done related to the graduate recruitment portal project.				
THUR	On this day, I completed my data flow diagram.				
FRI	On this day we had a meeting with the client, and one of the group members that was selected to present on Monday presented his data flow diagram to the client.

COMMUNICATION SKILLS			X			COMMUNICATION SKILLS	There wasn't much communication from my side as I had other commitments to take care of at the time that was out my control.
PROBLEM SOLVING SKILLS				X		PROBLEM SOLVING SKILLS	My problem-solving skills improved a lot, designing the data flow diagram made you look at different aspects of the system and by making sense of the information I was Able to create the diagram.
DECISION MAKING SKILLS				X		DECISION MAKING SKILLS	During the team meetings decisions was made that so far affected us as a group positively and enabled us to produce the necessary work for the client.
TEAMWORK SKILLS			X			TEAMWORK SKILLS	Teamwork has been a big factor in the project so far and because it the project is moving forward slowly but surely,
TECHNICAL SKILLS				X		TECHNICAL SKILLS	Designing the data flow diagram in StarUML has taught me more about using the software for design purposes.

WEEK	FROM	22 August 2022		TO	26 August 2022
TUES	We had to design a level 2 diagram that we had to present to the client on Friday.				
WED	We decided to divide the group into small groups of 4 members. I have done reach and investigated how to complete the level 2 data flow diagram. I worked with my group on the dataflow diagram.				
THUR	At 20:00 a meeting was held on google meet where we groups presented their data flow diagram and a voting poll was put in the project WhatsApp group that enabled us to vote for a data flow diagram that we had to present to the client.				
FRI	We had a meeting with the client in the morning, where we presented the chosen level 2 data flow diagram to the client.

COMMUNICATION SKILLS				X		COMMUNICATION SKILLS	Communication was good throughout the meetings that was held during the week, I don't communicate a lot and that's something I'm still working on, but I understand the assignment passed onto us thus far.
PROBLEM SOLVING SKILLS			X			PROBLEM SOLVING SKILLS	We managed to solve issues that was presented during the development of the data flow diagram, and we only achieved this together as a group.
DECISION MAKING SKILLS			X			DECISION MAKING SKILLS	Decisions that were made in the group and during meetings was well informed and thought through decisions.
TEAMWORK SKILLS			X			TEAMWORK SKILLS	Teamwork was great but improvements can be made.
TECHNICAL SKILLS			X			TECHNICAL SKILLS	No technical skills besides compiling the data flow diagram were needed, and it was a problem because of me being familiar with StarUML.
