

WORK INTEGRATED LEARNING (WIL) PROGRAMME

NAME OF COMPANY/PROJECT:		Graduate Recruitment Portal Project			
WEEK	FROM	2 August 2022		TO	5 August 2022
TUES					
WED	I read through the project plan issued to team members so that I have a better understanding before meeting with client.				
THUR	I attended a meeting to discuss the project with our lecturer. It was an introduction to the project and what is expected from the team members.				
	I reviewed the project plan that was handed to us and started with my own project plan, but I could not complete it because our team did not meet with client yet.				
FRI	I attended a meeting with the client for the Graduate recruitment portal project where she explains the process that is being used.				
	I rewatched the recording of the meeting with the client and wrote a transcript of the requirements.				

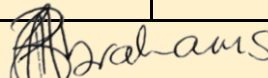

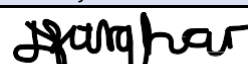

MENTOR EVALUATION	RATINGS (tick the relevant box)					STUDENT REFLECTION	
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	EMPLOYABILITY SKILLS	
	1	2	3	4	5		
COMMUNICATION SKILLS			X			COMMUNICATION SKILLS	This week I didn't communicate or engage in the meetings, but I listened to what was said and made my own notes.
							I did engage and communicate in the WhatsApp group chat with team members. I was asking some questions to team members that were not clear to me in the meeting.
PROBLEM SOLVING SKILLS			X			PROBLEM SOLVING SKILLS	I took notes in the meeting and rewatched the recorded meeting and wrote down the requirements to guide me through the project. This will help me to not forget important things and I can go back to it during the development of the project.
DECISION MAKING SKILLS				X		DECISION MAKING SKILLS	I made the decision to ask for help which is not easy for me to do because I don't like asking for help but it was good decision so the I know what is expected from me and now I can do what I must and not do my own thing.
TEAMWORK SKILLS				X		TEAMWORK SKILLS	I asked a team member to explain what the flow diagram is and how it must be completed for next week.
							It is helpful for a team member to make you understand what is expected from me.

WORK INTEGRATED LEARNING (WIL) PROGRAMME

TECHNICAL SKILLS			X			TECHNICAL SKILLS	I did not use much of my technical skills this week. I joined meetings on MS Teams and discovered how to use the app to upload and my work as well as receive documents.

NAME OF COMPANY/PROJECT:		Graduate Recruitment Portal Project			
WEEK	FROM	9 August 2022	TO	12 August 2022	
TUES	I went through the transcript I documented of the meeting to analyze the requirements for the project				
	I was unsuccessful of completing the document for the requirements				
WED	I busy with my project plan today for the Graduate Recruitment portal project, I was having difficulty with the excel spreadsheet on where the project plan must be developed.				
	I did complete the project plan at this point.				
THUR	I went through the transcript that I documented from the last meeting to complete project flow-data diagram.				
	Continued working on project flow-data diagram which I completed.				
FRI	Continued working on my project plan and completed it in time for the submission.				
	Attended a meeting with team members but members didn't join to discuss updates of the project.				

MENTOR EVALUATION		RATINGS (tick the relevant box)					STUDENT REFLECTION	
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	EMPLOYABILITY SKILLS		
	1	2	3	4	5			
COMMUNICATION SKILLS			X			COMMUNICATION SKILLS	My communication needs improvement but I have communicated average with members in the meeting.	
							I have asked questions to members and speak often in group chat, but I participate more in team meetings.	
PROBLEM SOLVING SKILLS				X		PROBLEM SOLVING SKILLS	Initially, I was unable to use the excel spreadsheet, but I watched videos and researched about it.	
							The videos and research helped me in completing my project plan successfully in excel.	
DECISION MAKING SKILLS			X			DECISION MAKING SKILLS	There wasn't much decision making this far. Decisions that I am making are attending	
							meetings and completing tasks, I am completing it on time meaning I am making great decisions.	
TEAMWORK SKILLS			X			TEAMWORK SKILLS	Teamwork needs lots of improvement but this due to that it is only in planning phase	
							of planning. The only team work being is used is asking questions about due dates.	
TECHNICAL SKILLS				X		TECHNICAL SKILLS	This week, I used a tool to create the flow-data diagram. This software helped me to develop my data-flow diagram.	
							It has assisted me in enhancing my technical skills due using new software and having the ability to us it successfully.

WORK INTEGRATED LEARNING (WIL) PROGRAMME

NAME OF COMPANY/PROJECT:		Graduate Recruitment Portal Project			
WEEK	FROM	16 August 2022		TO	19 August 2022
TUES	Attended a meeting with team members where we discussed the project plan and the data flow diagram.				
WED	On our WhatsApp group, we voted for which data flow diagram was appropriate to present to our client.				
THUR	I read through the data flow diagram before meeting with the client Friday.				
FRI	Attended a meeting with the client to present data flow diagram and received feedback				
	Updated the data flow diagram according to the feedback				

MENTOR EVALUATION	RATINGS (tick the relevant box)					STUDENT REFLECTION	
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	EMPLOYABILITY SKILLS	
	1	2	3	4	5		
COMMUNICATION SKILLS				X		COMMUNICATION SKILLS	I attended all group meetings and shared my point of view regarding the data flow diagram.
						I am communicating efficiently in group meetings with team members.	
PROBLEM SOLVING SKILLS					X	PROBLEM SOLVING SKILLS	I read through the data flow diagram in order know what happen before attending the meeting with the client. This helped me to have a good understand.
						I used research to over come my problem of not knowing how to complete a data flow diagram and complete deliverable.	
DECISION MAKING SKILLS				X		DECISION MAKING SKILLS	As group we all come to a decision on which diagram to present to the client which I contributed my input on the decision.
						We made the correct decision and received great feedback from our client.	
TEAMWORK SKILLS			X			TEAMWORK SKILLS	We worked as a team to deliver the data flow diagram as we had meetings to discuss the diagram. We are worked well together without conflict.
TECHNICAL SKILLS			X			TECHNICAL SKILLS	In the meeting I was introduced to a new software tool to develop a data flow diagram which will be using to create a new data flow diagram. This will increase my
						Technical abilities. I was also made use of tools to attend meetings.

WORK INTEGRATED LEARNING (WIL) PROGRAMME

NAME OF COMPANY/PROJECT:		Graduate Recruitment Portal Project				
WEEK	FROM	23 August 2022			TO	26 August 2022
TUES	Researched the different levels for the data flow diagram for the deliverable of the work.					
	I started on the development of the data flow diagram for the automated system.					
	I also research about automated system and add features to improve the original system.					
WED	I continued working on the diagram and completed it.					
THUR	Attended a meeting with group members to discuss the data flow diagram to be presented to our client.					
	In the meeting, we voted on the best diagram that best presents our automated system for the project.					
FRI	Attended a meeting with the client to present data flow diagram of the automated system and received feedback					

MENTOR EVALUATION	RATINGS (tick the relevant box)					STUDENT REFLECTION	
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	EMPLOYABILITY SKILLS	
	1	2	3	4	5		
COMMUNICATION SKILLS			X			COMMUNICATION SKILLS	I attended all group meetings but did not demonstrate effective communication because of not participating in the discussion.
							I will need to participate better in meetings.
PROBLEM SOLVING SKILLS						PROBLEM SOLVING SKILLS	I used research to make a Data Flow diagram of the automated system.
							Which assisted me of completing my diagram.
DECISION MAKING SKILLS				X		DECISION MAKING SKILLS	As group, we decided together what data flow diagram to present and what the automated system for graduate recruitment will be.
							I was part of the group and in the meetings in making these decisions.
TEAMWORK SKILLS			X			TEAMWORK SKILLS	In our group we worked together in team meeting.
							I was in the meeting working with team members. We had a successfully meeting as a team and was able to deliver our deliverable for the week.
TECHNICAL SKILLS				X		TECHNICAL SKILLS	I used my technical skills to come up an automated system by using tools and theory of what I learned in my course.
							For team meetings I was explored to new software tool for meetings which I had use my technical abilities to know how to use it to great advantage. This is improving my technical skills by experiencing new software tools.
