

WORK INTEGRATED LEARNING (WIL) PROGRAMME

NAME OF COMPANY/PROJECT: Graduate Recruitment Portal	
FROM	TO
[15 August 2022]	[19 August 2022]
TUES	I started working on the functional requirements we discussed with the client.
WED	I finished compiling the functional requirement. I just need to do the data sequence diagram.
THUR	I started to work on the data sequence diagram. Designing the flow was not easy, but I managed to highlight the important requirements.
FRI	We had a meeting with the client, explained the data flow diagram to her.

MENTOR EVALUATION	RATINGS (tick the relevant box)					STUDENT REFLECTION	
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	EMPLOYABILITY SKILLS	
	1	2	3	4	5		
COMMUNICATION SKILLS						COMMUNICATION SKILLS	There was not much communication when I was working on these tasks with my group members.
PROBLEM SOLVING SKILLS						PROBLEM SOLVING SKILLS	My problem-solving skills have improved significantly. I had to start designing the system, which is designing the data flow.
DECISION MAKING SKILLS						DECISION MAKING SKILLS	I had to decide what kind of system we were designing and chose the appropriate data diagram.
TEAMWORK SKILLS						TEAMWORK SKILLS	My teamwork skills are also still on the same level. As a team, we had decided on which DFD to present to our client.
TECHNICAL SKILLS						TECHNICAL SKILLS	My technical skills have also improved because I got to learn how to use Lucid Charts software and designing the diagram needed technical skills.
