

Introductory letter for the collection of research data

This is to confirm that **Mr Chuma Nxazonke** with student number **219181187** is registered for the Advanced Diploma in Information and Communications Technology at CPUT. The project research is titled **The Status of AI Adoption in South African Supply Chain Management: Evolution and Challenges**, and aims to explore the state of AI adoption in supply chain management in South Africa and to understand the barriers and influencing factors.

The supervisor for this research is :

Mr Ayodeji Afolayan email: afolayana@cput.ac.za Contact details: 0214603838

In order to meet the requirements of the research project subject (Project 4) at the Advanced Diploma Level, the student must get consent to collect data from individuals and organisations which they have identified as potential sources of data. In this case, the student will use semistructured interviews to collect data from identified participants.

If you agree to this, you are requested to complete the attached form (an electronic version can be made available to you) and print it on your organisation's letterhead (where possible).

Please note that no data will be collected until the researcher has received ethics clearance from CPUT, which has been obtained and is attached herein with this letter.

For further clarification on this matter, please contact either the supervisor identified above or the Information Technology departmental secretary (Ms Nassema Allie) at 021 460 3010 or allien@cput.ac.za

Yours sincerely

Ayodeji Afolayan
