"This App better be good. I really look forward to having the best vacation of my life."

"Let me register to the application so that I can be able to login."

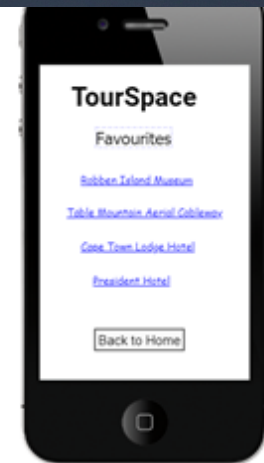

"Wow! This is very user-friendly with a clear description of what they provide. Let me click the first button."

"Wow, these accommodations are not only safe, but beautiful too. I like that you click a hotel and and it takes you to their main website page where you can book."

"These are the most exciting places to visit in Cape Town and it also allows you to visit the main websites by clicking here. I'm thrilled."

" This is great, I can save the places I love into 'Favourites' should I want to visit them again, I can easily access them."
