

DEPARTMENT OF INFORMATION TECHNOLOGY						
WEEK	FROM	[01/08/2022]			TO	[05/08/2022]
MON	On this day, there wasn't any work done related to Grad Recruitment project.					
TUES	On this day, there wasn't any work done related to Grad Recruitment project.					
WED	On this day, there wasn't any work done related to Grad Recruitment project.					
THUR	On this day in the evening, I viewed the meeting recording since I was not present in the afternoon meeting.					
FRI	On this day in the morning, We had a meeting with the client to discuss the system's process. The client explained the manual process she is currently using which will serve as system requirements for the System we will be building for the client that will automate the manual process.					
	After the meeting, I compiled a transcription of the meeting with the client which mainly focuses on the System Requirement or the Business Process.					
	I then compiled my logbook for the past two days, Thursday and Friday.					
SELF-EVALUATION		RATINGS (tick the relevant box)				Student's reflection
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	
	1	2	3	4	5	
Communication Skill				X		I enjoyed today's meeting. It was a great experience asking questions related to the system to try and figure out the process and what are the things that might hinder the process like Policies etc.
Problem Solving Skills			X			I did not come across any problems relating to the project yet.
Decision Making Skills					X	Today I decided to participate and ask the client questions which I thought will get us more insight on what we will be working on.
Teamwork Skills			X			There wasn't any work done in teams for the past two days regarding the project.
Technical Skills			X			There aren't any new technical skills acquired for these past two days, It was just the usual. Microsoft Teams.
