

WORK INTEGRATED LEARNING (WIL) PROGRAMME

NAME OF COMPANY/PROJECT:	
WEEK	FROM TO
	9 August 2022 12 August 2022
TUES	I went through the transcript I documented of the meeting to analyze the requirements for the project
	I was unsuccessful of completing the document for the requirements
WED	I busy with my project plan today for the Graduate Recruitment portal project, I was having difficulty with the excel spreadsheet on where the project plan must be developed.
	I did complete the project plan at this point.
THUR	I went through the transcript that I documented from the last meeting to complete project flow-data diagram.
	Continued working on project flow-data diagram which I completed.
FRI	Continued working on my project plan and completed it in time for the submission.
	Attended a meeting with team members but members didn't join to discuss updates of the project.

MENTOR EVALUATION	RATINGS (tick the relevant box)					STUDENT REFLECTION	
EMPLOYABILITY SKILLS	Requires Improvement	Inconsistent	Marginal	Competent	Excellent	EMPLOYABILITY SKILLS	
	1	2	3	4	5		
COMMUNICATION SKILLS						COMMUNICATION SKILLS	My communication needs improvement but I have communicated average with members in the meeting.
							I have asked questions to members and speak often in group chat, but I participate more in team meetings.
PROBLEM SOLVING SKILLS						PROBLEM SOLVING SKILLS	Initially, I was unable to use the excel spreadsheet, but I watched videos and researched about it.
							The videos and research helped me in completing my project plan successfully in excel.
DECISION MAKING SKILLS						DECISION MAKING SKILLS	There wasn't much decision making this far. Decisions that I am making are attending
							meetings and completing tasks, I am completing it on time meaning I am making great decisions.
TEAMWORK SKILLS						TEAMWORK SKILLS	Teamwork needs lots of improvement but this due to that it is only in planning phase
							of planning. The only team work being is used is asking questions about due dates.
TECHNICAL SKILLS						TECHNICAL SKILLS	This week, I used a tool to create the flow-data diagram. This software helped me to develop my data-flow diagram.
							It has assisted me in enhancing my technical skills due using new software and having the ability to us it successfully.
