

WORK INTEGRATED LEARNING (WIL) PROGRAMME

NAME OF COMPANY/PROJECT:		GRADUATE RECRUITMENT PORTAL				
WEEK	FROM	16 AUGUST 2022			TO	19 AUGUST 2022
TUES	On Monday the 15 th of August 2022 I had a meeting with my team member to discuss the Project Plan and Data Flow Diagram (DFD) we will present to our client.					
	In the meeting they was a bit of confusion on how the Data Flow Diagram should be implemented.					
	We ended the meeting with asking team member to do some research on the Data Flow Diagram, the research was should it be the current system or future system of the Graduate Recruitment Portal.					
WED	Based on team members research, we made vote on which Data Flow Diagram to present to our client					
	I voted for one of my team member Mbuso, We ended up deciding that Mbuso's one was the one we will present.					
THUR	I prepared questions to ask the client for the next meeting that was scheduled for Friday the next day					
FRI	I attended a meeting to present a Data Flow Diagram to our client Mrs. Abrahams.					
	Mr. Hendricks advised for us to use Figma as it is collaborative for the next Data Flow Diagram that will be based on the planned system for the Data Flow Diagram
