| TUES                            | After submitting our diagrams on the 15 <sup>th</sup> of August, we received feedback from Mrs Prima on how we need to make improvement and submit one diagram that we all agree one. As a group we organized a    |                             |  |  |           |                |
|                                 | Meeting via MS Teams and chose a diagram that best represent our system. After the meeting we chose a diagram on our whatsapp group.                                                                               |                             |  |  |           |                |
| WED                             | On this day our bigger group decided to break down into smaller groups so that we can develop more DFDs that we can present to the client on Friday                                                                |                             |  |  |           |                |
|                                 |                                                                                                                                                                                                                    |                             |  |  |           |                |
| THUR                            |                                                                                                                                                                                                                    |                             |  |  |           |                |
|                                 |                                                                                                                                                                                                                    |                             |  |  |           |                |
| FRI                             | On the morning of this day, we had a meeting with client where we presented our final choice diagram that all the members of the group had agreed upon, when the voting was done during the meeting. After a lot   |                             |  |  |           |                |
|                                 | of discussion with the client, some suggestions were made to improve the diagram. The client made very valid points that were very helpful to the project and also gave good advice on how to improve our logbooks |                             |  |  |           |                |
