COMMUNICATION SKILLS						COMMUNICATION SKILLS	For this week I watched LinkedIn videos on WordPress to familiarize myself with the software. I also communicated with one of my group members on how we will start on using it.
PROBLEM SOLVING SKILLS						PROBLEM SOLVING SKILLS	We had to decide as a group which changes were necessary and which designs should be left alone.
DECISION MAKING SKILLS						DECISION MAKING SKILLS	We were able to decide on the most appropriate changes that would make it easier for the client to use as a group. The notes will be helpful once I start working on WordPress.
TEAMWORK SKILLS						TEAMWORK SKILLS	Our communication and teamwork will have to be strong in the upcoming month to start incorporating the UI Designs as pages into the WordPress website.
TECHNICAL SKILLS						TECHNICAL SKILLS	The software used for the designs was Figma and we also created a prototype to easily showcase the designs to the client.

WORK INTEGRATED LEARNING (WIL) PROGRAMME

							Since we going to use WordPress to create the website for the client more practice will have to be done for it to be successfully completed so I will continue watching LinkedIn videos.
